The Role: Assembler/Warehouse Associate

This is a full-time position for a self-motivated individual that enjoys working with their hands. This person will be primarily assembling pneumatic components, as well as assembling structures out of aluminum extrusion. Other duties may be required as needed. They will work with a team to complete the orders in a timely manner.

Experience:

Required: One year of previous assembly or manufacturing experience.

Preferred: Five years of assembly, manufacturing, or troubleshooting experience.

Minimum Requirements:

- Must be able to lift up to 75 pounds.
- Must be able to stand, walk, kneel, lift, etc. for up to 8 hours.
- Ability to read all units of measure, using whole numbers, fractions and decimals.
- Ability to use basic hand and power tools; machining skills a plus.
- Ability to read mechanical and electrical drawings; previous experience preferred.
- Ability to work in a team atmosphere and demonstrate a positive attitude.
